DRIVE-THRU

Calling ahead is appreciated but not required. Call 660.243.4005 between 8 a.m. and 5 p.m. After 5 p.m., call 660.259.2440.

COVID-19 Drive-Thru Testing and Antibody Screening Every Wednesday, 12 p.m. to 8 p.m. at the Lexington 4-Life Center - 811 S. Business Hwy

There are no out-of-pocket costs for COVID-19 testing, however bring insurance information and photo ID if you have it. Follow-up calls will be made to every person tested. Anyone can be tested – no matter where you live and you don't need to have symptoms. Testing is also conducted at any of the Live Well Community Health Centers.

Antibody testing is \$75. We recommend this testing for individuals who had symptoms at least 14 days prior to testing, but have no symptoms at the time of the antibody test.

If you have symptoms (fever, fatigue, cough, sneezing, aches, pain, chills, runny/stuffy nose, sore throat, diarrhea, headaches, shortness of breath, loss of smell or taste) please self-isolate and contact a provider immediately.

COVID-19 testing is available at all clinic sites.

Get Tested!

Antibody testing is available at Live Well Community Health Center - Buckner, 324 S. Hudson. Call 816.249.1521 to schedule your antibody test.

Text **LiveWell** to **72727** to schedule a visit at one of our Live Well Centers. Telehealth visits also available!
