1-ON-1 CONSULTING AT NO COST

Are you seeking assistance for your business or looking for financing to start, grow and expand your business?

The Davis Chamber of Commerce, in partnership with the Capital Region Small Business Development Center (SBDC), will host office hours during which Judy Fletcher, an SBDC Business Advisor, will be available to answer questions, provide assistance and share resources.

Judy has over 20+ years experience in the SBA lending industry assisting small businesses with their financing and other needs. She recently joined the Capital Region SBDC and has access to over 25 Business Advisors throughout the Capital Region available to assist you.

"I had no idea how many resources there are for small businesses until I met with Judy Fletcher from the SBDC. She was a great help with showing me what avenues I could pursue to expand my company, and she connected me with others who had expertise in other areas. The experience was very beneficial to me, and I applaud the Davis Chamber for offering this at no cost to its members".
