

Distinctly Davis, Cultivating Local Prosperity.

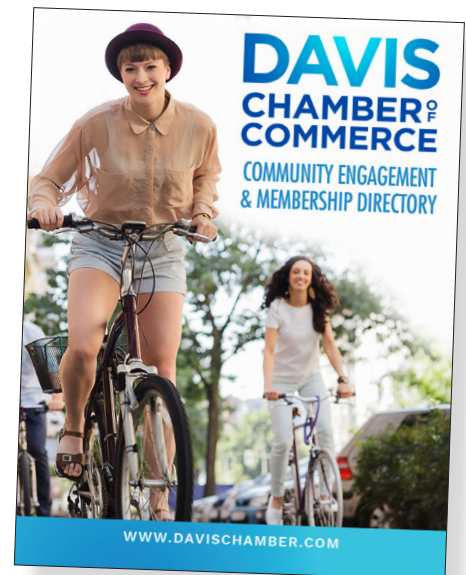

Davis, rooted in the past but focused on the future.

News & Review Publications, in partnership with the Davis Chamber of Commerce, is producing a glossy new 48-page community profile and membership directory, spotlighting many of the wonderful things that make Davis...Davis.

The 2020 directory reflects this vibrant community while still acknowledging the area's agricultural roots. The spring edition will be distributed at the Chamber's Celebrate Davis event on May 21, 2020.

Showcasing Davis' cutting edge leadership, the community profile will break out seven categories: Agriculture, Economic Development, Tech, Health, Art & Entertainment, Food & Beverage and Community Partners. Each category will highlight businesses, events, institutions and more.

Be part of what makes Davis such a special place to live, work, learn and grow.
