Thodos Dance Chicago was founded in 1992 by Melissa Thodos, a choreographer, educator, and performer for over 30 years. Our mission is to engage and enrich the community through dance creation, advocacy, education, and mentorship.

TDC celebrated its 25th season in 2017- 2018 and announced an organizational change, which transformed TDC from a touring dance company to a project-based dance organization.

HELLO!

Thodos Dance Chicago (TDC) has been the proud home of *New Dances* (*ND*) for over 25 years. Originating with The Chicago Repertory Dance Ensemble in 1983, *New Dances* came under the umbrella of TDC in 2000 and was in partnership with DanceWorks Chicago from 2018-2025.

In 2025, TDC announced ***New Dances / New Horizons* (*ND / NH*)**, a new initiative providing support for early-career, Chicago-based choreographers through project-based microgrants. *ND / NH* continues TDC's goal to enrich and serve our vibrant commUNITY by shining a light on artists' creativity and supporting opportunities for their continued growth, while building upon the *New Dances* legacy of developing choreographic talent in the Chicagoland community!

Ten, diverse, Chicago-based, early-career choreographers were selected through a competitive application process. As a part of the pilot year wrap up for *ND / NH*, TDC will host an intimate celebration dinner at Elia Chicago for grantees and selection panelists, with the goal of providing a space for guests to connect, network, and share their creative journey during the grant period.

Make your presence felt by sponsoring a **Wish List** item for ***New Dances / New Horizons***. Select an item to support, and **let's do the Happy Dance together!**
