ESC Region 12 Thursday Counselor Zoom Meetings during the COVID-19 Crisis

During COVID-19, we will have a counselor meeting each Thursday at 9:00 am. Current topics and resources, guidance, and discussion will involve anything that may be relevant and important to you. Occasionally, a new Needs Assessment for Counselors will accompany the Zoom (sent prior through the ESC Region 12 Counselor listserve (and may at some point be delivered through the ESC Region 12 Safe and Healthy Schools” list-serve, so if you see it, it’s from us!). If you register at: <https://txr12.escworks.net/default.aspx> for session #204549, you’ll get a Zoom link to use for connecting with us. This is free and a timely way to join together to canvas the region for ideas and inspiration.

Also, if you haven’t had a chance, please go to the link: [SURVEY](#) for this week’s discussion (4-9-20).
