In this event, you'll have access to experts in FAFSA and financial aid, and learn about not only what resources are available for you to conduct a successful FAFSA event, but learn of tips for ensuring better participation.

Local experts in the college financial aid process will join us to share their insights on how we can better help our students apply for and obtain financial assistance for post-secondary success with topics on FAFSA, TASFA, verification, financial aid offers and FAFSA events, especially in light of new HB 3 mandates for FAFSA completion for students as a graduation requirement in Texas. *This session has been shortened from the regular 6 hour session to 3 hours as it will be held online.
