16) FUND A NEED

ERNIE ROSE PERFORMING ARTS CENTER LOBBY

This lobby serves an essential function for our performing arts community—it is a meeting place for students and patrons, an entre to an evening of theatre and an opportunity to celebrate our program's rich history!

This lobby is used year round, before and after school and during lunch, and is sometimes used around the clock due to the schedules of our Performing Arts department. With this summer's remodel of the Ernie Rose Performing Arts Center Lobby, we have an incredible opportunity to honor our past and bring new vibrancy to one of our most-frequented Brave Community spaces!

This update will include flexible seating to accommodate students by day and theatre patrons by night. Beautiful dedicated spaces will showcase art created by our Visual Arts students as well as photographs honoring our previous musicals and plays. A professional box office will be added that can be transformed into a concessions counter during intermissions and other events. Lastly, aesthetically pleasing finishes and lighting will round out this space and transform this wing of our school into the performing arts lobby that our program deserves.

If you have not had a chance to view the concept drawings located in The Addams Family musical section of the gym, be sure to take a look at the vision for this lobby.

All Fund A Need donations are 100% tax deductible and qualify for a corporate matching gift.
