

Class of 2020: Senior Tributes for the Yearbook

In the section of the yearbook reserved for the senior class, the Senior Tributes give parents a chance to honor their child's accomplishments over the last 18 years. This year, 24 of the yearbook are dedicated to these tributes. 11 pages remain. All proceeds from these tributes go to reducing the price of Prom.

We link your materials to a marker on your tribute and, using phone app, you can call up your material. You can expand your 1/8-page tribute into full screen tribute, or you can link a family video message with parents, grandparents, and siblings.

You must act soon. The deadline for Senior Tribute is February 24, 2020. Space is limited. Tributes are sold on a first come, first-served basis.
