

VISITOR TRAVEL GUIDANCE

AIR TRAVEL

Cornell University's main campus is located in Ithaca, NY. Ithaca Tompkins (ITH) is the closest airport (a 15-minute drive from campus) but has limited flight options and generally requires flying via a connecting hub. Alternative airports to consider are Rochester (ROC, about a 2-hour drive) or Syracuse (SYR, about a 75-minute drive).

If you plan a stop at the Cornell Food Venture Center as part of your visit, please note that the facility is located at the Cornell AgriTech campus in Geneva, NY, a 75 minute drive north of Ithaca. ROC and SYR are both approx. an hour's drive away from the Cornell Food Venture Center.

HOTELS

We are pleased to offer conference attendees a discounted room rate at the nearby Homewood Suites by Hilton Ithaca, located 36 Cinema Drive, Ithaca. Rooms may be booked directly via the hotel's website at [this link](#). The daily rate of \$169 plus applicable taxes/night includes breakfast and WiFi as well as shuttle service to/from campus and the nearby Ithaca airport.

The Statler Hotel (<https://statlerhotel.cornell.edu/>) is a 10-minute walk from Stocking Hall on the Cornell campus; please note that the hotel frequently has limited availability and advance booking is strongly recommended.

Additional hotel options include the Canopy by Hilton, Marriott Downtown, and Hilton Garden Inn (all located on or near the Ithaca Commons, a 10-minute drive from campus in the Ithaca Downtown area).

CAMPUS PARKING

We are located in Stocking Hall at 411 Tower Road (at the corner of Tower Road & Wing Drive). The closest parking option to Stocking Hall is the Peterson Lot (Lot 4122), across from the building on Tower Road (pay by cash at the meter or via the ParkMobile app). Because of its location by the Dairy Bar and Botanic Gardens, this lot can fill up early; the best alternative option is Lot 4108 (two blocks away on Campus Road; pay by ParkMobile only). Guidance on using the Parkmobile app and campus lot maps can be found [HERE](#).

NAVIGATING STOCKING HALL

Please enter Stocking Hall via the Dairy Bar entrance on Tower Road (look for the Milk Bottle sculpture by the door, directly opposite the Peterson Lot; see the below photo). On entering the building, turn immediately left to enter the Stocking Gallery; the symposium registration desk is located by the Gallery entrance.
