This test is intended for high school juniors; however, sophomores and freshman are also encouraged to take the test. The testing session will last about three hours.

The PSAT measures critical thinking skills which include reading, math, and writing. The benefits for taking the PSAT include entrance into the National Merit Scholarship Program for juniors. Other benefits include receiving information from other scholarship programs and from colleges, gaining information about college readiness skills, preparing for the SAT, and access to online college and career tools.

To register for the PSAT, please complete the bottom portion of this form and return it along with your \$20.00 fee to the guidance office by September 27th. Priority registration will be granted for all juniors registering prior to September 27th; ten fee waivers are available for juniors who qualify.
