

REMOVAL OF TRAFFIC SIGNAL

Intersection of Avenida De La Carlota and Oakbrook Village

Dear Neighbor,

Crews will be installing a temporary three-way stop sign, replacing the existing traffic signal at the intersection of Avenida de la Carlota and Oakbrook Village. Relocation of the signal allows crews a safe workspace as they construct a new retaining wall adjacent to southbound I-5.

The traffic signal will be reinstalled once work is completed in early 2023. Please watch your speed in the construction area.
