CENTER NEWS

Our Mission: **EDUCATE** to advance the practice of medicine, and enhance the quality of medical care. **PROMOTE** the health of the citizens of the State of Maryland. Explore and **PRESERVE** the history of Maryland medicine and MedChi's archives.

The Maryland Physician Health Program:

Provides assistance to physicians who may experience burnout, mental health or behavioral issues, as well as substance or alcohol abuse. Helping one physician helps a thousand patients.

Public Health: Maternal Mortality review, Domestic Violence and social determinants of help, are just a few things the Center focuses on when it comes to the health of Maryland citizens
