

Looking to Learn More About Maryland's Cannabis Program?

**MedChi Cannabis Committee
Virtual Meeting
December 2, 2025
7:00 p.m.**

Christine Boyd, Maryland Cannabis Administration (MCA) Chief of the Office of Public Health, Data, and Education and **Dawn Berkowitz**, MCA's Managing Director Public Health will discuss key findings from three recent MCA reports. Among other topics, we will discuss:

- ✓ Medical vs. adult-use consumption and other consumption trends
- ✓ Impact of legalization on stigma when talking to healthcare practitioners.
- ✓ Problem use/interest in cessation/perceptions of risk
- ✓ High THC product use
- ✓ Knowledge gaps

REGISTER NOW!

Christine and Dawn will also discuss MCA's [BeCannabisSmart](#) campaign.
