

Invitation to BCMA's Annual Legislative Breakfast

The Baltimore County Medical Association cordially invites you to our annual **Physician Legislative Breakfast on Friday, December 13th from 7:30 AM to 8:30 AM** at Greater Baltimore Medical Center in the new Louis and Phyllis Friedman Building located at 6715 N Charles St, Towson 21204.

Let's have a conversation. We want to hear your 2025 session priorities, collaboration your patient and public health concerns, and talk about our issues. Both physicians and legislators benefit from this open discussion about the Baltimore County and Maryland healthcare system.

During the 2025 Maryland General Assembly Session, we will be visiting your legislators on Wednesday, February 26th for our Physician's House Call to Annapolis. We will reach out to you to provide a formal announcement and match you with a list of your legislators based on your residential voting districts. This is an important opportunity to speak in-person with your legislators about issues that affect doctors and patients.

Again, please join us on the morning of December 13th for an informative and energizing discussion. If you have questions about the meeting or the practice of medicine, please contact the BCMA office at 410-296-1232 or Russ' cell at 410-371-9724. We look forward to seeing you at GBMC!

Please RSVP HERE.

Sincerely,

Robin Motter-Mast, D.O., President, BCMA
Russ Kujan, Executive Director, BCMA

P.S.– Parking is available in the Sandra R. Berman Pavilion garage, which is connected the Friedman building. Parking vouchers will be available.
