Make the Most of Your MedChi Membership

As a MedChi member, you're part of an ever-expanding community dedicated to supporting physicians and advancing patient care. If you haven't explored everything your membership includes, here are the "Top 6 Benefits of 2026" as a reminder of the many benefits available to you:

1. A Powerful Professional Network & Opportunities to Get Involved

You're connected to a network of nearly 10,000 physicians and medical professionals across 50+ specialties. Whether you're beginning your career, well-established, or retired, MedChi provides opportunities to build meaningful professional relationships and discover new pathways.

MedChi membership also includes combined membership in **your local component society**, expanding your connections even further.

MedChi offers many ways to engage—attending events, serving on committees, or acting as a legislative key contact. Your level of involvement is up to you, and our membership team is always happy to help you find the right fit.

2. Member Events, Networking Opportunities, and CME

From the annual gala to educational seminars and specialty-focused meetings, MedChi and the local component societies host a **wide range of events** designed to help you connect, learn, and share resources with colleagues—while enjoying the experience. Check out the events calendar **today!**

Members have access to **live and digital CME** that is evidence-based, clinically relevant, unbiased, and grounded in adult learning principles—supporting lifelong professional development.

3. Statewide Advocacy Where Your Voice Matters

MedChi is the only organization representing all Maryland physicians, leading advocacy efforts on critical issues such as tort reform, scope of practice, telehealth, and medical economic policy—working to protect both physicians and patients.

As a member, you have **opportunities to engage directly in advocacy**. Legislators rely on physicians as subject matter experts, and MedChi helps amplify your voice so you can educate policymakers on how proposed legislation impacts patient care and medical practice.

4. Extensive Practice & Career Resources

Your membership includes accessible tools and services that support your professional success:

- **The Center for the Private Practice of Medicine** provides tailored business support for physicians starting or managing a practice.
- **The Center for the Employed Physician** offers resources developed to assist physicians who are currently employed or are considering entering into an employment arrangement.
- **The Center for Value-Based Care** gives MedChi members guidance and background on numerous initiatives as Maryland healthcare continues to shift to value-based care.
- A **Career Center** for those looking to pursue new opportunities.
- Connections to vetted, **cost-effective products and services** that enhance your professional environment and benefit your patients.

5. Timely News & Member-Only Updates

Stay informed with early access to news, policy updates, and member opportunities through MedChi's weekly e-newsletter, Impact Updates, quarterly magazine, and other news resources.

6. Priority Access to MedChi's Subsidiaries and Their Services

MedChi's wholly owned subsidiaries offer ways for you to get the business support you need, while reinvesting back in your medical society.

- **Unity Insurance** specializes in insurance solutions for the healthcare profession in Maryland. They can provide you with a free review of your insurance policies to support all your practice's needs.
- **Mid Atlantic Medical Collection Services Inc.** is a leading provider of medical debt collection services. They will help your practice collect the maximum revenue, as fast as possible, while helping to alleviate costs and hassle.
