House of Delegates 2025

MedChi Members and Affiliates,

We are pleased to invite you to our upcoming Fall House of Delegates and Annual Meeting on Saturday, October 25, 2025, at The Hilton Baltimore BWI Airport in Linthicum Heights, Maryland. As the statewide professional association for physicians, MedChi serves as Maryland's foremost advocate and resource for physicians, patients, and public health. Your voice and participation are vital as we work together to advance our mission and shape the future of medicine in Maryland.

MedChi's House of Delegates represents the collective strength of our membership, including delegates from each of MedChi's component medical societies and Maryland's medical specialty societies. This meeting is an important opportunity to discuss key issues facing our profession, exchange insights, and influence decisions that directly impact physicians across the state. Your involvement helps ensure that the voice of the medical community remains strong and united.

Join us for MedChi's Fall House of Delegates and Annual Meeting to engage with physician leaders from across the state and share insights into your priorities for Maryland's healthcare system. We look forward to your participation and to continuing our work together in support of Maryland physicians and the patients we serve.
