FOR IMMEDIATE RELEASE

The Neffs National Bank donates EITC funds to area educational foundations.

Neffs, PA [July 24, 2019] – **Neffs, PA [July 23, 2019]** – Over the course of this past week, **The Neffs National Bank** presented donations to eight area educational foundations totaling \$100,000. The educational foundations included: Parkland School District Educational Foundation, Northern Lehigh School District Educational Foundation, Wildlands Conservancy Inc. Carbon County Community Foundation, Circle of Seasons Inc., Northwestern Lehigh Educational Foundation, Lehigh Carbon Community College Foundation, and Wildlife Information Center Inc.

These donations were made through **The Neffs National Bank's** participation in the state's Educational Improvement Tax Credit (EITC) Program. This program authorizes tax credits for contributions to Educational Improvement Organizations and allows the bank to earmark their taxes to support these programs.

Kevin Schmidt, President/CEO of **The Neffs National Bank**, stated that the bank continues to value community relationships and is aware of the budgetary constraints that these organizations face. "We want to thank them for their dedication to education and hope that this contribution is able to assist them in meeting their goals." Schmidt also expressed hope to each organization that these contributions will stimulate other business to participate in the program and make contributions to qualifying organizations such as these.
