

Dear Friends,

On behalf of the St. Laurence Chapel Homeless Shelter located in Pompano Beach, we thank you for your donations of books for our shelter. I am aware that you also support many other charities with books to their clients. Every other week I am able, thanks to your downtown bookstore, to be able pick up books that our homeless clients love to read.

Lee, who is pictured, specifically asked me to pass along his appreciation because books help take him to a better place while he is working toward a resolution to his situation. He looks forward to the days that new books are added to the shelter library. Reading is one of the things that helps with the sameness of the days and passes the time.

Bless you all for your kindness and caring for those less fortunate.
