## **The Hometown Foundation, Inc. Receives \$2,500 Grant From Fairfield County's Community Foundation**

The Hometown Foundation, Inc. received a \$2,500 grant from Fairfield County's Community Foundation to support their efforts to assist essential medical staff, first responders and emergency response personnel in Fairfield County during the COVID-19 pandemic.

Major Illness and Emergency Response Personnel are two of the primary pillars of charitable focus of The Hometown Foundation, Inc. The Foundation directs this grant funding towards support of their COVID-19 initiative of donating essential supplies to medical staff, first responders and emergency response personnel.

"Through this grant funding from Fairfield County's Community Foundation, The Hometown Foundation will have the opportunity to support essential medical staff and emergency response personnel working tirelessly fighting COVID-19 directly in Fairfield County," said Chris Sferruzzo, Executive Vice President of Finance for Bozzuto's, Inc. "Generous grants like these, allow the Foundation to continue their vast impact in our local communities and aid those assisting others in any way they can."

The Hometown Foundation, Inc. supports five key pillars of philanthropy, in which each area of focus has individualized year-round programs, initiatives and fundraising events. Through our COVID-19 Relief initiative we have donated hand sanitizer, cleaning products, and non-perishable food items, through our direct access to product with our corporate relationships to hospitals, police departments, food banks, and local YMCA locations.
