

Leon Valley Public Library Opening to Computer Appointments!

Computer Appointments

The library will be opening to computer appointments starting March 16, 2021. Patrons may call (210) 684-0720 starting March 11th to schedule an appointment. Appointments will be scheduled on the hour and will last 45-minutes. The library will close at 45-minutes after the hour to clean, sanitize, and prepare for the next round of appointments. If scheduled for an appointment, you may bring one person with you to help you on the computer, but this must be confirmed at the time the appointment is made. School-age children must be accompanied by an adult for the duration of their scheduled appointments.

Curbside Services

The library will maintain its current curbside services. Patrons can reserve books by phone at (210) 684 -0720 or through their library account at leonvalley.bibliionix.com/catalog/. Take & Make crafts are available by curbside services Tuesdays at 4:30 pm, Wednesday and Thursdays at 11:30 am, and the first and third Saturdays of each month at 11:30 am.

Virtual Programming

The library will continue it's virtual programming with Zoom. To participate in programming please join our Facebook Group LVPL Online events at www.facebook.com/groups/lvplonline. You must answer a question and accept the group's terms to join.

All of our upcoming programs and events can be found at www.leonvalley.lib.tx.us/calendar.
