**FIRE DEPARTMENT / EMS**

## **Blessing Box: Take What You Need, Leave What You Can**

As COVID-19 pandemic continues to unfold in Texas and across the country, it is important that our community has access to sufficient basic needs. On April 8<sup>th</sup>, 2020, City Council voted unanimously to implement a Blessing Box Program for Leon Valley Residents. Blessing Boxes are stocked with non-perishable food items, basic toiletries, baby supplies, and anything else that might be considered a blessing to someone who finds themselves in need. Often times, we have extra boxes of these items, unopened, within our homes and they could be donated.

The Fire Department will be collecting items every day from 8:00 a.m. to 8:00 p.m. Simply drop-off or pick-up items in the red containers located at the front of the Fire Station, 6300 El Verde Road.

**6300 El Verde Rd. Leon Valley, Texas 78238 – 210-684-3219**
