

Am I Able to Submit Comments on City Council Agenda Items?

Yes, you can! You will need to register for an account first. This will give you the ability to sign up for distribution lists, sign up to speak at upcoming meetings, and leave comments on items for meetings that have been published.

Pursuant to Ordinance No. Ordinance 2019-48, members of the public may address the City Council during the "Citizens to be Heard" portion of the meeting. The "Citizens to be Heard" portion will allow members of the public to address Council on items that are not on the agenda.

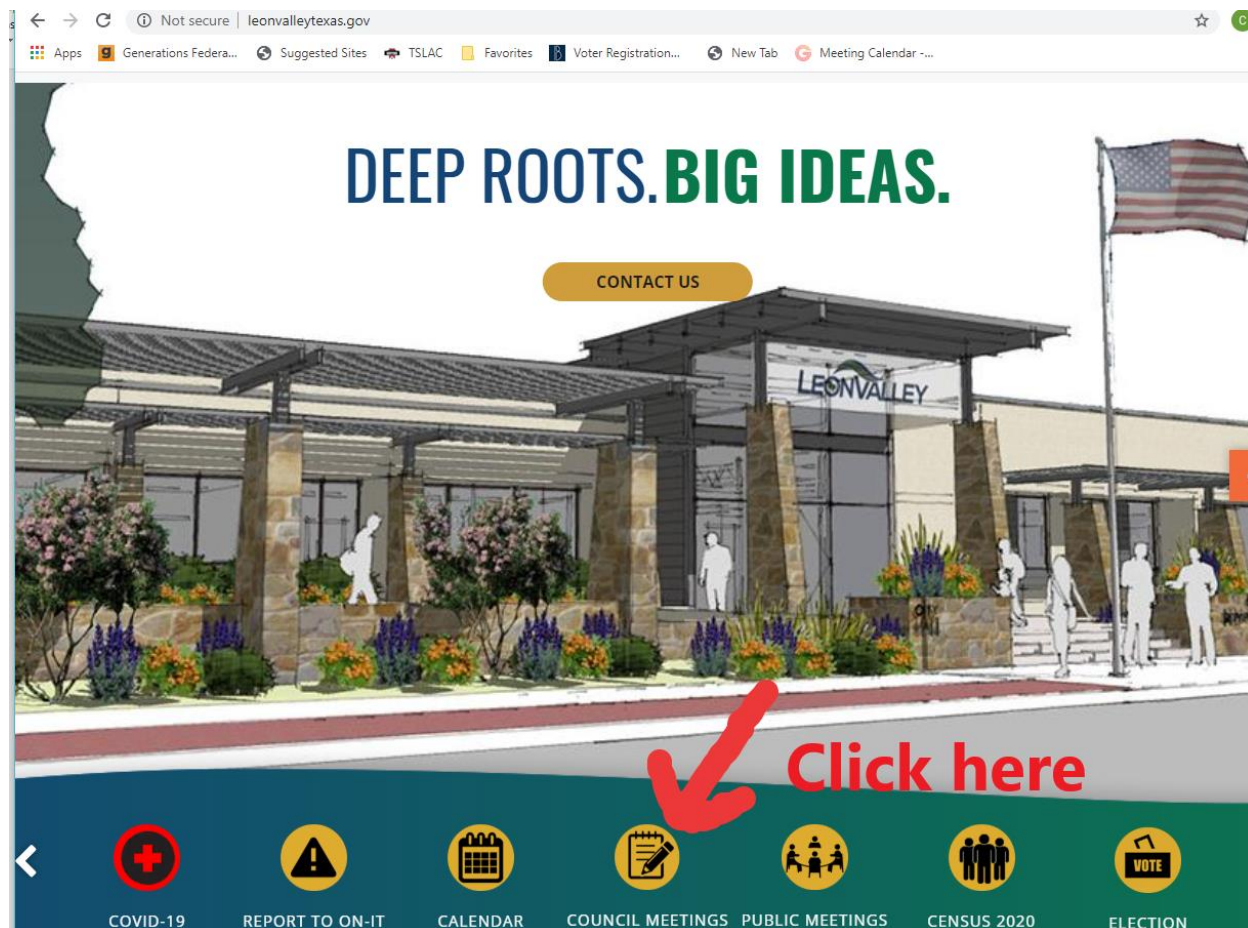

Members of the public will be allowed three (3) minutes to provide comments during the "Citizens to be Heard" portion. *The submitted comment should only last (3) minutes when read out loud at the meeting.*

The "Citizens to be Heard" portion of the meeting will be:

- i. At the beginning of the meeting; and
- ii. After any presentation of any item that they are entitled to be heard; and
- iii. At the end of the meeting.
