

We're happy to announce Corporate Library Members can use their paper passes for reservations at the North Carolina Zoo!

Beginning January 2021, Library patrons can call to reserve their "timed-ticket entry." Following state guidelines, the number of guests at the Zoo is still limited and no walk-up entries are being accepted at this time.

Reservations may be made up to **three (3) weeks** in advance, but must be made at least **24 hours in advance** of the desired entry time. Daily reservations are limited so please call as soon as possible to ensure your entry.

Making a Reservation with a Library Paper Pass

- Reservations using a Corporate Library Pass can only be made by calling the NC Zoo Society Membership office at 336-879-7250 during office hours: 9am - 4pm daily, Monday – Sunday.
- A valid email address is required to send confirmation of reservation.

- Library passes are only good for one timed-entry per day for up to 2 guests per pass.
- At the gate, guests will need to present their printed or digital (phone) emailed reservation confirmation and the Corporate Library Pass.
