of Philip Morris International

INVESTED IN AMERICA

It's one thing to do business in the U.S.
It's another to be invested in its future.
A future that can be thoughtful, prosperous,
and smoke-free.

That's why we don't sell traditional
cigarettes in the U.S. Instead, we're
innovating with purpose to offer
legal-age adults who smoke
a better path forward.

We're invested in advancing science.
Delivering innovative, science-backed,
FDA-authorized smoke-free products.

We're invested in responsibility,
economic growth, community, and
our people.

We're proud to be invested in America.
