### ***Among Us* by Larry P. Morris**

***Among Us*** is a remarkable collection of worship and faith stories told in free verse poems. I'm delighted to see his take on my style of poetry. Larry is a local pastor with uncommon insight. I adore his love, devotion and humor that elevate everyday experiences.

His first poem, *Among Us*, opens any church goers' eyes to their congregation. What a motley group.

Larry makes you laugh, cry and love with uncommon understanding. He showcases The Word, Holy Days, Parables, Grace and Prayer. I have never seen story telling poetry comparable to Larry Morris's ***Among Us***.
