

Mission & Outreach Team Minutes

February 27, 2019

The team elected to make the following disbursements for the first quarter of 2019:

Katherine Parker - missionary in Nepal \$2000.00

Vision House - \$500.00

Mission Sunday - reserved cover lunch & any other needs to make the day productive, up to: \$500

We elected to send Rachel Motz \$200.00 from the rummage sale fund to help cover her mission travel expenses.

We also elected to give \$2000.00 from the Homeless Fund to the Sophia Way permanent 24/7 capital building fund which will be able to house those needing emergency shelter as well as those in the current overnight shelter. It will be located in Kirkland and groundbreaking will be April 10. This program is in coordination with Catholic Community Service and Imagine Housing.

We meet once a quarter and encourage anyone to make a request for us to consider. We also invite anyone who would like to join the team to contact Jean Harris (jean7439@comcast.net)
