

Outreach Mission Team Minutes

August 14, 2018

The Outreach/Missions team met on Tuesday, August 14 and welcomed our guest, Pastor Laura. After discussion of the current church budget, it was agreed that we would transfer \$10,000.00 to Africa and World Service line items of Aldersgate's apportionments. This is predicated on the understanding that these monies will assure that our apportionments are paid in full.
