

Green Team Minutes

January 9, 2019

In attendance: Betty Fredeen, Rich Detering, Linda Detering, Laura Baumgartner

We started with prayer and dinner at 5:30.

1. We talked about the Earth Ministry Brunch Bingo fundraiser on March 3 at St. Mark's Cathedral in Seattle. Laura will get a note to Joe Lee and see if he thinks we need to put our invitation to CLT for discussion before extending this invitation to the congregation. Then, we can get a poster to hang on our bulletin board. Announcements in worship as we get closer will include an invitation from Green Team.
2. Compost, recycle, trash sorting is still an issue. It may be time to make a sign. We could also reduce the number of trash cans. This can be a project for Mission Sunday. We probably have more to do on education around two points:
 - One cup makes a difference
 - It's time to care.
3. Mission Sunday will be on 3/24. We didn't do much with planning for that. Geri did say she could do lunch again if she's in town and she'll check her calendar.
