

# LAWRENCE COMMUNITY BRIEFING

## FOR PAID FAMILY & MEDICAL LEAVE AND A \$15 MINIMUM WAGE

The legislature needs to hear from us, in every corner of the Commonwealth, that it's time to pass Paid Family and Medical Leave and a \$15 Minimum Wage. Now that we've collected enough signatures to put both of these questions on the ballot, our message to the legislature is clear: let's do this. **Join us with legislators from across the region to make 2018 the year that these campaigns are realized for all workers and families across Massachusetts!**
