Dear Ernie,

Our East End of Richmond is a vibrant community defined by its neighborhoods, people, experiences, and opportunities. We deeply appreciate your of \$100, which we received on 12/14/2022. With this investment, you support Peter Paul's purpose to educate the child, engage the family, and empower the community.

For more than 40 years, Peter Paul has supported youth, families, and neighbors in the community with resources, signature out-of-school-time programming, and tools for education and advocacy. This fall, Peter Paul will continue to focus on our holistic approach to family engagement through relationship building and familial support. The past few years have been tough on us all, and we remain as committed as ever to walking alongside our students, families, seniors, community, and each other to meet the needs of our neighbors that are among the most critical. Peter Paul has fully transitioned to in-person family and community engagement programming and in-person learning for our students. Our teachers work diligently to address any learning loss experienced during the Covid-19 pandemic while working to build relationships with students old and new.

For the remainder of this year and beyond, we will continue to provide food distribution, after-school programming, in-person meetups for parents and caregivers, host community events at the Coleman Promise Center, and offer field trips to Peter Paul families and neighbors while providing a safe space for all who engage with us. As a member of this community, your partnership with us helps make this all possible as we support our neighbors in navigating these ever-difficult times while preparing for what lies ahead.

For our students, families, and community members, Peter Paul is a place defined by trusting, long-term relationships based in a safe, structured, and loving environment. With your investment, you help us continue to be just that to the thousands of people Peter Paul reaches annually. Thank you!

Most sincerely,

Anne Hurt
