

Greetings SBCS families,

Your public library is a great resource for education and entertainment during these weeks away from school. As of this writing, many are temporarily closed, but Richmond, Henrico, Chesterfield, and Pamunkey Libraries offer many online resources for reading and streaming which you can access with your library card:

- **RB Digital** has a large collection of audiobooks
- Ebooks are available on **Overdrive** (Libby app)
- **Hoopla** lets you read ebooks and stream movies, documentaries, biographies
- Read magazines online with **RB Digital**
- Videos on demand with **Just For Kids: Access Video**

Use a little caution - there is, of course, a lot of content available that is inappropriate for young people.

More ebooks in a variety of formats are available at:

- [Project Gutenberg](#)
- [Open Library](#)
- [International Children's Digital Library](#)

Several library systems also offer educational resources such as online homework help, test prep, Rosetta Stone, Rocket Language, Universal Class, ABC Mouse, and many more. And don't forget that [Khan Academy](#) and [typing.com](#) will help keep skills fresh.

But the best thing you can do is READ, READ, READ. The moment someone in the house says, "I'm bored," grab a classic and start reading aloud.

**READING CHALLENGE PARTICIPANTS:** You can now submit your reading log **online**. Either scan and send your log form by email to Mrs. Clark, or access the [google form link here](#), or from the school library [webpage](#).

Happy reading!

Mrs. Clark
