cealum - heaven	navigo - I sail	porto - I carry
oro - I pray	laboro - I work	specto - I look at

Religion - (20 minutes) Pray the First Joyful Mystery of the [Rosary](#) - The Annunciation.

Cereal Box Biography Book Report

You selected a biography on a famous person you would like to learn more about. A biography is a true story about a person's life. You should start reading the book at home immediately. As you read, remember to keep notes on an index card or scrap paper and tuck it inside your book to help you remember important information.

Directions:

Front of the Box: Use a piece of white or light colored paper to cover the front of your cereal box. Include the name of the person and a picture.

Right Side of Box: List 5 interesting facts about the person.

Left Side of Box: Create a time-line containing at least 6 important events in the person's life.

Back of Box: Write a summary of your person and what you have learned about them.

Top of Box: Include the title, author, number of pages, and number of stars you would give this book if you were a book critic.

*Be prepared to share your Cereal Box Biography on Facebook or to my email address in three weeks.

Art:

- ROBOTS! Look around your house for interesting objects such as recyclable materials like boxes and tin cans, toilet paper or paper towel rolls, construction paper, buttons, string, whatever you can find! Gather all the materials you want to use.
- Decide how you are going to create your robot. There is no right or wrong way, just make sure your robot has some kind of head, body, legs or another way to move and arms. Here are some ideas to get you started:

- **Video on making robots:** <https://www.youtube.com/watch?v=t0Lozvon93g>
 - Attaching the pieces for your robot: Elmer's school glue should work, but you may also use tape or have a parent help you with a hot glue gun. Make sure your robot is stable, meaning he doesn't fall apart!
 - You may also choose to cover your robot with colored or decorated paper, paint it or add fun details such as stickers, buttons, etc.
 - Name your robot! What does your robot do?
 - I would love to see your finished robots! You may email pictures to lbykowski@saintbenedictschool.org and post pictures/videos of your creations on the Saint Benedict Catholic School Facebook Page. Have fun!
- Ms. Bykowski

PE: Coach T would love for you guys to get outside for at least 30-45 minutes a day. It's a great way to unwind, relax, exercise and have some much needed fun! If you need any specific ideas, feel free to contact her directly!

W

D.E.A.R. Drop Everything and Read for 20 minutes

Vocabulary Workshop (25 minutes) - Read What Makes Waves? Complete pages 30 and 31.

Handwriting (10 minutes) - Show someone with your finger, ten cursive lowercase letters. Have them guess what letter
