### ***Liturgical Guideline during the Flu Season***

#### ***Communion under one kind***

As a precaution during this especially virulent influenza season, Holy Communion under both kinds will be suspended. Until the flu abates, Holy Communion will be received only under the species of bread (that is, the Body of Christ). Please remember that receiving the Precious Blood is optional. The reason is that all of Christ is present in either the smallest particle of the consecrated bread or in the tiniest drop of the consecrated wine (concomitance). For those who can only receive Communion under the species of wine, they may approach at the end of the Communion line and the priest will administer the chalice to them.

#### ***Gesture of Peace***

Furthermore, please remember that no one is ever under the obligation to shake hands during the Sign of Peace; indeed, it may be prudent to refrain from handshaking during the flu season. Rather than shaking hands, parishioners may make a statement of peace, or a bow, or some other gesture. The diocesan Office of Worship has recommended parishes consider adopting these liturgical modifications during the flu season.

While we try to retain people on the sick list as long as necessary, many people place names on the list and never have them removed. If you have added someone to the sick list that can be removed, please let me know so that we know who to pray for. THANK YOU!
