

The 2026 European Leadership Forum Annual Meeting is in less than three weeks. As we make final preparations for the Forum, please pray for...

- Rest, wisdom, and productivity for the Forum staff as they prepare and coordinate logistics for the Annual Meeting
- Safe travels to Wisla for all participants, speakers, mentors, and volunteers
- Safety, mercy, and refreshment for our speakers and participants from Ukraine and other countries involved in wars. Many of our speakers (and participants) coming from Eastern Europe continue to be involved in stressful ministry because of the Ukrainian war, and will arrive tired and will need encouragement
- Our speakers' sessions and workshops to be filled with God's presence
- The speakers who will be giving talks in this year's plenary sessions:
 - Morning Bible teacher **Colin Smith** (President, Open the Bible)
 - **Pablo Martinez** (Psychiatrist)
 - **David McIlroy** (Lawyer and Theologian, CARE)
 - **Helen Thorne-Allenson** (Director of Training and Resources, Biblical Counselling UK)
 - **John Dickson** (Professor of Biblical Studies and Public Christianity, Wheaton College)
- The Forum's 29 Networks and 18 Year-Round Mentoring strategies, where leaders will be taught and mentored in areas such as apologetics, discipleship, Bible teaching, leadership, and youth ministry
- The 112 ELF mentors meeting with hundreds of ELF participants in one-on-one mentoring and prayer sessions at ELF this year
- The 114 volunteers and staff coming from 5 countries to serve, love, and care for Forum participants
- The 15 Global Leaders attending the Forum to learn about what God is doing in Europe through ELF and share lessons and best practices from their own countries
- The recruitment of Forum participants into the 18 Year-Round Mentoring Groups available to them this year
- God to move across Europe in a powerful way to strengthen and renew the church for the Gospel's sake. For the Lord to work *"exceedingly, abundantly, more than we can ask or imagine!"*
