## LIFE NOTES

"God shows no partiality" (Acts 10:34b). His people once misinterpreted His Word and treated Gentiles as less treasured than Jews. Jesus declared and demonstrated that humanity doesn't come in degrees—there's no "more human" or "less human." Everyone who has any "human" at all is infinitely beloved and belongs to the Lord. If He welcomes the wicked with forgiveness, He also welcomes the weak with friendship, and by His Spirit He can make saints of all (10:47). *Son of God, cause us to overcome the world and obey Your commandments. Amen.*
