

We are excited to announce a Family Fun Virtual Painting Event on Friday, February 26, 2021 from 6-7pm with Heidi Kirschner, an award-winning painter and parent of two former Selwyn Eagles. Heidi has had a lifetime of immersion in the arts, culminating in a wonderful body of work. She has held numerous painting workshops at Selwyn over her children's elementary years. She currently hosts painting workshops for adults and children at her studio in Myers Park. You can check her out on her website. <https://heidikirschner.com/>

The live event will last approximately an hour. We will record the event if you want to divide the session for your younger students. We encourage both students and adults to participate. Please see the supply list for the event for you to purchase your own supplies. The PTA has limited supply kits for purchase for \$15. If you would like one of the pre-made supply kits please email selwynelementarypta@gmail.com with SUPPLY KIT and the number in the subject line before February 17th.
