

Carol Andrus

Carol grew up in Northfield, Vermont, and spent summers on the islands of Lake Champlain. Carol graduated from Anna Maria College where her roommate introduced her to her husband, Paul. Carol and Paul were married in 1972, and celebrated their 50th anniversary this past August. They are blessed to have a son, Matthew, and his wife, Julia; a daughter, Sarah, and her husband, Rahmin; as well as five precious grandchildren, Ella(15), Olivia(12), Joshua (11), Ada (10), and Eliza (7). A teacher at the elementary level for a quarter century, Carol spent her last, and most personally fulfilling 15 years, as a Reading Specialist.

Paul Andrus

Paul was moved to join the FCCW and the United Church of Christ because he was seeking a welcoming, faith-based community in service to others. Paul and his wife, Carol, have been married over fifty years and have been blessed with two wonderful children and five beautiful and talented grandchildren. A Massachusetts native, Paul was born and raised in Salem and also lived in Cambridge and Reading with Carol before settling in Winchester more than four decades ago. Educated as a Mechanical Engineer, Paul retired as a Physics Teacher at Arlington High School in 2015 after seventeen years there. Before that, he had spent twenty-five years introducing new products within the telecommunications industry. Paul has always admired the simple beauty and historical legacy of the town green centered, white-steepled Congregational Churches of New England and is proud to become a member of the FCCW.

Christiane and Don Dutton (Welcomed as Ecumencial Friends)

We are both retired Presbyterian ministers. Don was ordained in Des Moines, Iowa in 1971. His last ministry was 21 years in Pittsburgh, PA. Christiane was ordained in 1986. She served as a domestic violence counselor, as an associate with Don and as a minister for Taizé Prayer. We moved to Arlington in 2014 to be closer to our children and grandchildren in Arlington and York, ME and we love to travel to visit our son and family in LA and Christiane's family in Germany and around the world. Our joys now are singing in choirs, camping and our daily walk along the Mystic River and Lake.

Marianne Iacuzzio

I grew up in East Boston and moved to Arlington in 1968. I have been married for 56 years, and I am a mother and a grandmother. One of my greatest pleasures in life is spending time with family, especially my grandchildren, who are experts at offering me alternative ways to view the world. For over 20 years I worked as a clinical social worker with adult clients. I loved the work that I did, and in my retirement I continue to try to find ways to use these skills to help people, especially those who are disenfranchised. In my free time I enjoy reading, watching movies and visiting with friends.

Kate Isley & Mark Vaughn

We have been residents of Winchester since 2015. Kate and Mark are attorneys, Oona (8) is in third grade, and Winnie (almost 5) and Ada (3) both attend the Neighborhood Cooperative Nursery School, located at FCCW. We all have many interests, but for a sampling: Kate is an avid gardener, Mark is a crossword enthusiast, Oona is a burgeoning ski bum, Winnie is a lover of board games, and Ada loves arts and crafts. We have been attending FCCW sporadically since we moved to Winchester, and more regularly since Mark's parents, Jerry and Janet Vaughn, joined the church in 2017. We are excited to (finally) be joining this wonderful community.

Katie Shanahan

Katie Shanahan lives in Stoneham with her husband Alec and 15-month-old son Liam. She is a Nurse Practitioner at Boston Children's Hospital with the Clinical Research Operations team, and works part time as Director of Development for The Allo Hope Foundation which is dedicated to educating families about HDFN (Hemolytic Disease of the Fetus and Newborn) which Liam was affected by. She is a Double Husky, receiving both her Bachelors and Masters degrees from Northeastern University. Outside of work she enjoys traveling, taking her son to different activities, reading and hiking. She has a goal to hike all 48 of the 4,000 footers with her father. She is so excited to join the FCCW community.
