

## Intro to Lean: Lunch and Learn

via Zoom

**Friday, January 27, 2023 (12:00PM - 1:00PM)**

### How to Get Started in Lean with Immediate Effect

Every Organization can benefit from Lean, but most find it hard to know where to start, what is involved and what resources are required. If this describes you, this presentation will answer your questions.

The presentation is targeted to decision-makers who are interested in Lean problem-solving or Lean culture-change. This presentation will address typical Lean client needs, four ways to start on Lean (including one complimentary option for the attendees), and how to find a problem to solve via Lean.

#### Who Should Attend

- Quality technicians, supervisors and managers
- Plant managers
- Directors and managers of engineering
- Vice presidents or managers of customer service
- Operations managers
- Manufacturing Supervisors
- Presidents, CFOs and CEOs
