

**The “Founders Council” will represent all that is best within the Leadership of National Group Marketing. A Council Member will have had a tenured career with NGM and shown a great level of respect, commitment, above average sales contribution but most of all loyalty.**

**The plan is to have NGM appoint annually a Founders Council that will meet in a special location with appointed guests to discuss all areas of the organization; Sales, Marketing, compensation, bonuses, trips awards and recruiting.**

**This will create an unpreceded “Think Tank” to develop and growth best practices, new product ideas and positive contrition to grow the each of the Founder Member’s agencies and NGM as a whole.**
