

MASTER BUILDERS OF IOWA

Construction Roundtable Series

Challenges and Opportunities for Iowa Contractors

We are excited to announce a new opportunity that will be coming to a city near you – MBI's Construction Roundtable Series. We all share a common interest in improving and promoting the Iowa construction industry. The Construction Roundtable Series will gather leaders from throughout the state, providing members with the opportunity to discuss current issues and challenges facing the construction industry in Iowa. This is an excellent opportunity to generate fresh thinking, new ideas and clear perspectives on decisions you face as a contractor.

There will be four roundtable topics, with two roundtable sessions held. Each session will be 45 minutes with a 15 minute break in between. Each roundtable topic will have a list of thought-provoking, open-ended questions provided for attendees to help facilitate discussion.
