SAVE OUR LIBRARIES

…a world of information and entertainment, books, ebooks, audiobooks, free computer use, internet access, WiFi, research support, events, classes, activities, tickets, perks…

Educate Yourself

@ your library

SASKATCHEWAN
LIBRARIES MATTER

In Saskatchewan our public libraries are a vital link for every resident and every community ensuring success of all people of Saskatchewan, regardless of location or background. Our Provincial Public Library System ensures that all residents of Saskatchewan have access to library services. This must continue. The Saskatchewan Library Trustees' Association asks for your help.
