Dear Friends,

A new yurt for gathering and meetings.
A second gaga ball pit to play in.
A new team of Program Coordinators to energize, support and lead the staff and campers.
An upgraded gymnasium with new flooring, HVAC, lighting and more.
An Environmental Intern position to support the Butterfly Garden, Forest Stewardship Plan and general care for creation on campus.
A new roof on the Highpoints Bathhouse.
A summer camp curriculum about how we are shaped by the Holy Spirit.

And the list goes on. Your generosity makes all of this possible, in ways that you may not even imagine!

Thank you for supporting Johnsonburg and this special community. I hope you will consider a visit soon, if you haven't been here recently. I have so much to show you!

With deep gratitude,

Elise
