

Building a Better Halton

September 3, 2025

Digesters 1 & 4 Upgrades

Oakville Southeast

Wastewater Treatment Plant

Facility
Improvements

Notice of Construction – PR-3423A

September 2025 to October 2026

About This Project

IMPROVEMENTS

Beginning September 2025, Halton Region will be initiating construction work at the Oakville Southeast Wastewater Treatment Plant, located at 2477 Lakeshore East, in the Town of Oakville, Ward 3.

Halton Region will be completing upgrades on Digesters 1 & 4, including mixing system upgrades, roof repairs, cleaning, concrete repairs and coatings replacement to maintain a state-of-good repair. This work is required to upgrade infrastructure that is beyond its useful life cycle to ensure the facility maintains operation.

The contractor for this project is BGL Contractors Corp. with project administration by R.V. Anderson Associates Limited.

PLANNING AHEAD

The work is not expected to impact local residents significantly; however, some potential impacts are identified below. To help you plan ahead for construction activity, please read the project related information below. Wherever possible, mitigation plans will be put in place to minimize disruptions.

Noise: You may experience noise as a result of Regional improvements. We will schedule work in accordance with local noise by-laws.

Truck traffic: You will notice occasional increases in truck traffic around the ongoing work. Please be aware and use extra caution while driving.

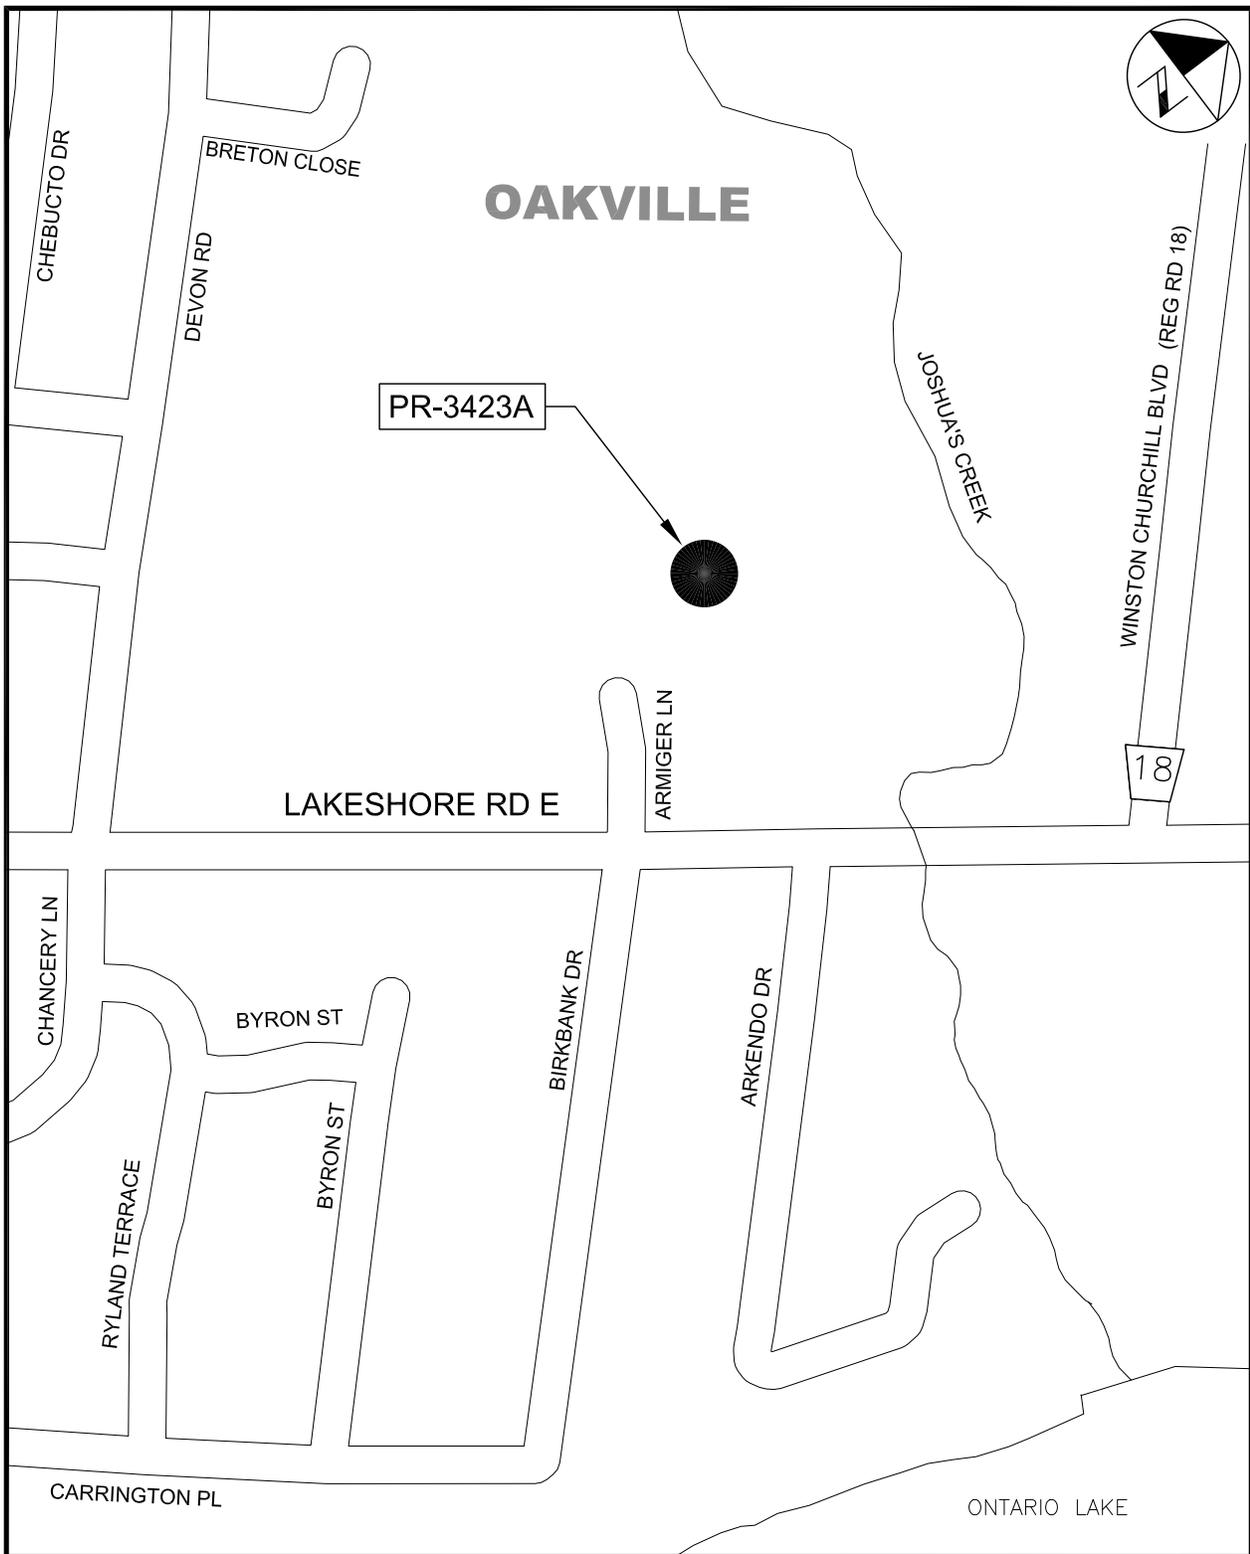

Building a Better Halton

MORE INFORMATION

Building a Better Halton is about more than construction. It is about investments in infrastructure, service delivery improvements and building complete communities that maintain the high quality of life that residents expect and enjoy.
