## VANESSA SHAW BIOGRAPHY

Vanessa Shaw is a highly accredited and internationally recognized Business Success Coach. Whether you are seeking more income, making a bigger impact, or enjoying greater freedom, Vanessa and her dedicated team of professionals at *The Business Growth Academy* can help turn your entrepreneurial dreams into reality.

Our business growth programs deliver proven growth strategies, smart business tools and trainings, expert support, and direct accountability. Built on our unique *Business Acceleration Model* with its *9 Growth Accelerators*, we start with a focus on you, the business leader – your big dreams, bold vision, personal and business goals and translate this into a practical roadmap to success.

Described by her clients as engaged, articulate and astute in business, Vanessa has a genuine passion for coaching and mentoring business owners. Her mission is to impact the lives of over one million businesses around by coaching them to be bold and play bigger in both their life and business.

Originally from the UK with most of her life lived in Europe, Vanessa has more than a decade of experience working with business leaders – ranging from startups to billion-dollar companies. Her client roster includes The World Economic Forum, KPMG, Oracle, The Global Fund, the European law firm Cameron McKenna, and Sandler Training, amongst others. She has also worked for the United Nations in Geneva, Switzerland and held senior leadership roles within the International Coach Federation. She lives in Scottsdale, Arizona with her
