Energy Policy Committee Sponsor

Chevron

PUBLIC INVOLVEMENT:

The general public and media are invited and encouraged to attend all CLUB 20 meetings, however, in deference to the dues-paying members of CLUB 20, the opportunity for input by non-members will be limited (at the discretion of the committee chairperson).

PROPOSED RESOLUTIONS

In order to facilitate the policy portion of our CLUB 20 committee meetings, we are asking members to present to the CLUB 20 staff their draft policy resolutions (or their draft ideas for policy resolutions) in advance of the committee meeting. Having these drafts in advance of the committee meeting will allow us to make appropriate copies to distribute to those in attendance.
