LRC-PAC 2023 FOCUS

The two largest municipalities, Lansing and East Lansing, have elections in 2023.

- **In Lansing**, four City Council seats are up.
- **In East Lansing**, there are three City Council seats up.

WHAT IS THE LRC-PAC?

The Lansing Regional Chamber-Political Action Committee (LRC-PAC) is the bi-partisan political action committee of the Lansing Regional Chamber of Commerce (LRCC), organized to maintain a pro-business, pro-growth outlook among elected officials in the Greater Lansing region. The LRC-PAC is a separate entity from the LRCC. It has bylaws and is registered with the Michigan Secretary of State.

What election races does the LRC-PAC contribute?

LRC-PAC contribute? The LRC-PAC stays involved in monitoring many election races, including races for U.S. Senate, U.S. House, Gubernatorial, state House, state Senate, Ingham, Clinton and Eaton County Commissions, local township boards, Lansing City Council, Lansing Community College Board of Trustees, and local school boards.

How are candidates chosen for endorsement by the LRC-PAC?

Each year, the LRC-PAC Board of Directors prepares a questionnaire on relevant business issues that is distributed to registered candidates. Based on candidate responses, a subset of board members conduct candidate interviews and review candidate backgrounds before making recommendations to the full LRC-PAC Board of Directors. A majority vote from the LRC-PAC Board of Directors is required for a candidate to receive an endorsement.

As the region's only political action committee, we know how important it is that your voice is represented at every government level. To make that happen and continue our success, we need community investors like you to contribute to our efforts.

All registered voters in Michigan can vote before Election Day using what's called an absentee ballot. You do not need an excuse or a reason. You can vote by absentee ballot through the mail, without ever having to leave your home.

Absentee voters are critically important in every election but now more than ever, they have become a major voting block for candidates. In the 2019 Lansing city elections, 76% of the Lansing voters voted by absentee ballot. (LSJ News, Aug. 8, 2019)
