Increasing the Achievement of Students with Disabilities

Targeted Audience: Directors of Special Education, School Administrators, Instructional Supervisors, Special Education Teachers, and General Education Teachers serving students with disabilities

Session Overview: Your Superintendent says, "We have to drastically increase the achievement and learning of our students with disabilities.... What should we do?" John O'Connor, author of Great Instruction Great Achievement for Students with Disabilities: A Roadmap for Special Education Administrators, has the answer. Join us for a dynamic day of learning how to better support students with disabilities.
