August
2021

Primarily
online

Flexible for
learners

30 credit
hours

Estimated
completion
time 2-4
years

Curriculum

Five Foundations Courses (10 credits) allow you to develop a well-rounded education practice.

Five Advanced Courses (9 – 15 credits) allow you to build the specialized skills you need. You may also choose to take elective courses to support your goals.

Capstone Course (4 - 10 credits) provides you support as you develop your own educational project or program.

Meet our faculty

Wendy Hobson-Rohrer, MD, MSPH

Kathryn Moore, PhD

Karen Paisley, PhD

Boyd Richards, PhD

Joanne Rolls, MPAS, PA-C, MEHP

Daniel Vargo, MD

Rebecca Wilson, RN, PhD
