

WELCOME OUR SPECIALIST

EDEM K. BINKA, MD

Department of Pediatrics

Edem K. Binka, MD, has joined the Pediatric Cardiology Division, Department of Pediatrics at the University of Utah School of Medicine as an Assistant Professor. He is a Pediatric Cardiologist who specializes in the care of children and adolescents with congenital heart disease. His clinical practice also includes fetal cardiology.

Dr. Binka received his medical degree from Vanderbilt University School of Medicine. He completed his pediatric residency at the University of Maryland then a pediatric cardiology fellowship at Johns Hopkins University. Dr. Binka completed an additional year of advanced imaging training in fetal, transthoracic and transesophageal echocardiography, and cardiac MRI at Johns Hopkins University. He is board certified in General Pediatrics and Pediatric Cardiology.

His research interests include the use of advanced non-invasive imaging techniques to improve the assessment of cardiovascular disease risk factors in children and adolescents.
