MUSIC TECHNOLOGY

ARTS, MEDIA, & ENTERTAINMENT

Students in the Music Technology pathway advance through three courses developing the foundational skills needed to create and mix music. Classroom instruction includes, music theory, composition, programming, recording, mixing, and mastering. Utilizing a variety of instruments, voice, and digital tools, students develop skills for pursuing musical and audio related careers, spanning multiple industries.

Courses meet A-G college admission requirements 'F' Visual & Performing Arts

Careers in Music Technology:
recording specialist, sound engineer,
audio director, producer

Complete the pathway course
sequence and earn CTE Honors at
graduation
